

Postage Payment Options for Your Hasler TMS® Account

There are three postage payment options available to customers to pay for postage funded through Hasler meters:

1. Prepay (USPS®)

- "Pay in Advance"
- Prefund a USPS® account by check, wire or ACH credit

2. PostageNow™ ACH (USPS®)

- "Pay Just in Time"
- Electronic payments in which funds are auto-debited from customer's bank account

3. TotalFunds®

- "Pay After You Use It"
- Monthly billing for postage: pay by check, ACH credit or online

Here is a brief description of each postage payment option:

How it Works	<ol style="list-style-type: none"> 1. Customer prepays by check, ACH credit or wire to an account at USPS®. 2. Once funds are posted to the account, the customer may download postage to the meter at any time, up to the amount of available prepaid funds in the account. 	<ol style="list-style-type: none"> 1. Customer authorizes automatic ACH direct debit through an account with USPS®. 2. Customer may download postage to the meter at any time. 3. After the postage download, an ACH debit transaction is created in which the customer's bank account is automatically debited for the amount of the postage download. 	<ol style="list-style-type: none"> 1. Customer gets a postage billing account with a preset account limit according to the meter. 2. Customer may download postage to the meter at any time, up to the account limit. 3. At the end of the monthly billing cycle, Hasler will invoice the customer for the amount of postage added into the meter for that month.
