Your Mail Center Partner

When it comes to versatility, the DS-63 is able to automatically prepare your business communications with ease. From traditional correspondence to transactional documents and marketing applications, the DS-63 is your mail center partner.

The DS-63 can accommodate a wide variety of documents, inserts and business reply envelopes. Customize mailpiece content for each recipient with Neopost's OMS-200 software and use your print file to add OMR marks on your documents. The scanning technology of the DS-63 combined with the OMS-200 ensure full security and content integrity for each envelope.

The Complete Document Process

- 1** With Neopost's output management software, you have the ability to make your document intelligent by adding OMR marks
- 2** OMR reading technology on the DS-63 securely processes your intelligent mail automatically
- 3** Optimize your postal costs and expand your business opportunities

Environmental Commitment

The DS-63 carries Neopost's Eco-Label which aims to provide a clear and consistent set of environmental performance criteria used in the design phase of our products.

How We Reduce Our Environmental Footprint:

- Neopost limits the machine weight and the amount of raw materials used for production.
- The volume of our packaging is kept to a minimum and is 100% cardboard and recyclable.
- Packaging for the DS-63 represents less than 20% of the total weight of the packed product.
- The user-friendly sleep mode helps reduce energy consumption.
- We develop our products to ensure a minimum recyclability rate of 75%.

The DS-63 Offers Four Configurations

A Dependable, All-In-One Solution

1. Touch Screen Display

The 5.7" graphical color touch screen makes operation easy and intuitive. Its 15-job memory enables you to store the settings for all your regular mail runs.

4. Folding Technology

The exclusive PowerFold technology folds up to 5 documents. This is key for delivering crisply folded professional looking mailpieces.

2. Daily Mail

Daily Mail function allows you to process both stapled and unstapled mail that may contain a variable number of documents depending on the recipient.

5. Ergonomic Design

Low noise level and compact size suit every work environment.

3. Feeders

Equipped with up to two FlexFeeders plus one insert feeder, the DS-63 accommodates a wide variety of paper sizes.
